OF TRANSPORTATION**

# Highway 200 Reconstruction

## JORDAN TO BROCKWAY

The Montana Department of Transportation (MDT) is planning to reconstruct nearly 37 miles of Montana Highway 200 from Jordan to Brockway. The work will make the roadway safer, more efficient, and better suited to carry modern vehicles. Interested in learning more about this project? There are two opportunities to see project maps, talk to district leadership and find out about long-range construction schedules.

**September 18 | Wednesday | 4- 6 PM | Circle High School**

**September 19 | Thursday | 4- 6 PM | Jordan Elementary School**

All are encouraged to attend the open house that is the most convenient. No formal presentation will be made - and guests can come at any time between 4-6 PM. The information presented at both meetings will be the same.

For more information about the Highway 200 Reconstruction project:
